

## EQUIPMENT by Liz Smith

The Winskill Otters have an inventory of items for sale available. The items are summarized below and the prices include all the taxes. If what you want is not in our inventory, you can order it. Talk to Liz at practice or e-mail her at (lizsmith@telus.net). Equipment comes from Team Aquatic Supplies in North Vancouver where we get the "Team 2" price (25% discount on items ordered by the Equipment Manager). Check out the Team Aquatic Supplies online catalogue at [www.team-aquatic.com](http://www.team-aquatic.com). If you need to try something on, visit The Swim & Fitness Shop (an outlet of TAS) at Watermania in Richmond. If it is not an item they have, go over to TAS in North Vancouver at 104-2411 Dollarton Highway in North Vancouver and check it out. Then you can order it through the Otters and get the discount. Most things can be returned if they don't fit, so not to worry if you only guess at a size. So, talk to Liz for all your equipment needs.
